

## CVC - AUTHORISED AS SPEEDLINER DEALER

CVC are proud to announce that they are now an authorised SPEEDLINER® dealer. This enables us to offer this superior spray lining product that is simply 'the toughest spray on liner in the world'.

SPEEDLINER® is a tough, thick, urethane polymer coating, which is flexible and protects surfaces from day to day wear and tear, weathering, corrosion and abrasion. It also help maintain the vehicles re-sale values.

Whilst giving superior protection, it also provides a non-slip surface and gives a quieter ride by dampening vibrations in the van.

Available with Kevlar®, which is used by the military as a bullet resistant in armored vehicles, SPEEDLINER® will add years to the life of the inside of your vehicle and keep it looking like new.

Also available -SPEEDLINER HC® with anti-bacterial protection. Used for medical vehicles and ambulances, SPEEDLINER HC® protects against Bacteria, Fungi , mildew and moulds.
